

How we'll handle your complaint

At 54North Homes we work hard to give you a brilliant service. But we know sometimes things do go wrong. If you feel like our service hasn't been up to scratch, please let us know. We want to put it right.

Service Request

Sometimes you might need us to take action, but not handle it as a complaint. This is a 'service request' such as a request for a repair or reporting anti-social behaviour. It may also be a query for information or an explanation, or a request to put something right.

Service requests are not complaints. If you are dissatisfied with our approach to resolving the issue, or the outcome, you will be given the opportunity to make a complaint.

Making a complaint

We'd encourage you to contact us as soon as possible after the issue first arises, as complaints must be raised within 12 months of the incident, ideally when you first became aware of the problem.

This is so we can deal with the problem as quickly as possible.

Stage one

Responding to your complaint

We'll look to resolve problems and put things right with the minimum of delay. When you get in touch we'll establish full details of what's happened and what you would like us to do about it.

We'll acknowledge your Stage one complaint within five working days

After investigating your concerns, we'll write to you with the outcome of the investigation and include any proposed solutions within ten working days

If we need more time, we'll let you know.

If you need more time, please let us know

We'll keep your complaint open until we have completed any agreed actions

Stage two

Reviewing your complaint

If you're unhappy with our response at Stage one you can move your complaint to Stage two when a member of our Customer Experience Committee will review your complaint alongside the 54North Homes team.

We'll listen to what you feel has not been appropriately investigated or disagree with and work with you to understand the outcome you're looking for.

We'll acknowledge your Stage two complaint within five working days

After investigating your concerns, we'll write to you with the outcome of the investigation and include any proposed solutions within twenty working days

If we need more time, we'll let you know

If you need more time, during or after the complaint, please let us know

We'll keep your complaint open until we have completed any agreed actions.
